

Panel: Implementing ebXML

Dick Raman <dick.raman@cab-edi.net>

Abstract

How does ebXML fit with the work of other industry standards groups? This panel will feature representatives from the Object Management Group (OMG), HR-XML, the Human Resources XML Consortium, the Open Travel Alliance, a DISA organization, and the Automotive Industry Action Group (AIAG). Each will provide information about how the work of their group relates to ebXML and their plans for the future.

Dick Raman - Drs. Th.H. (Dick) Raman, CEO & President of TIE Holding NV, leads the ebXML Quality Review Project Team. Dick graduated from the Free University of Amsterdam where he studied Business Economics. After a brief teaching career, he started to work for IBM in the Netherlands. In 1987, he left IBM to start his own company providing software for Electronic Trading. The company has grown considerably and today has five subsidiaries and over thirty agents worldwide. On 2 March 2000, the company was listed on the Amsterdam Stock Exchange as TIE Holding NV. In June 1999, Raman was appointed Chairman of the CEN/ISSS XML/EDI Workshop.
